

WEST PENNANT HILLS

3  2  2 

Located in the highly sought after Valley and in the Murray Farm catchment area is this charming, single level family home. Featuring three bedrooms, with built-in wardrobes to two and the master bedroom boasts a walk-in robe plus an en-suite. Enjoy the space to spread out and relax with the formal lounge and dining room and tiled meals area adjoining the updated kitchen with a gas cooktop and a dishwasher. The private and paved courtyard at the rear is ideal for peaceful entertaining with family and friends. Also offering an automatic double lock-up garage, a spa bath to the main bathroom, an additional separate toilet and split system air-conditioning.

Close and convenient to sought after schools, shops and transport. It's all about location, location, location - inspect today!
