

**9 Charles Place CHERRYBROOK NSW**

4 3 2

This lovely, contemporary family home has been renovated throughout and is ideally positioned within the Cherrybrook Technology catchment. Sitting on a generous 1,200sqm block and boasting four bedrooms plus a separate study/potential fifth bedroom, there are built-in wardrobes to three and the master suite features an enviable walk-in robe. All three of the bathrooms have been stylishly updated and the upstairs bathrooms both feature underfloor heating, heated towel rails and frameless shower screens. Enjoy the space to spread out & relax with the formal lounge & dining room and a separate rumpus room for the childrens toys & gadgets. There is also a meals area adjoining the refurbished, modern kitchen with natural stone bench tops and quality stainless steel appliances including a Westinghouse range hood and an Everdure Oven & glass cook top. Continue out to the landscaped, fully fenced yard that also has a covered &
