

KELLYVILLE

4 2 2

Impressively proportioned and tastefully updated, this ample dual level residence is just a short stroll to Kellyville High School and within easy walking distance of Kellyville Primary School and Bernie Mullane recreational facilities. Ample natural light, high ceilings and recently installed floating timber floors provide an appealing backdrop for spacious family living; featuring both formal and casual zones, a new gas kitchen incorporating glass splash-backs, family and rumpus rooms, and four extra-large bedrooms including oversized master with ensuite and parent retreat area. There is a study, ducted air-conditioning throughout and an alarm system. A pristine saltwater pool with frameless glass surround creates a sparkling centerpiece for carefree outdoor entertaining with plenty of lawn for kids and pets at play. The double garage features drive through access with boat/trailer parking options. This wonderful family home awaits your discovery so call us now to
