

KELLYVILLE

Situated on a large block in a highly sought after pocket in the heart of Kellyville, this generous single level home is perfect for growing families, with added potential for separate in-law accommodation. There are six good sized bedrooms with built-in wardrobes, a separate study and two of the bedrooms also have ensuites. The casual living areas are stylishly finished with polished floorboards and flow seamlessly into the huge kitchen complete with quality appliances and plenty of bench and cupboard space. There is a huge covered outdoor alfresco entertaining area, perfect for watching the kids make the most of the fully fenced, spacious grassed yard. Other great features include air-conditioning, plenty of storage, a large internal laundry, ceiling fans and a double carport. Convenient to all amenities including Kellyville Primary & High School, shops and public transport.
