

19 Alana Drive WEST PENNANT HILLS NSW

5 🛏 3 🚿 3 🚗

Set on the high side of a quiet street is this outstanding home. Meticulously cared for and boasting a functional floor plan, this residence is sure to impress. There is ample space for the family to relax as well as spacious entertaining areas spanning three split levels. For those who love to cook, the kitchen is a must to inspect, having been renovated to a high standard with granite benches, glass splash-back, stainless steel gas appliances and plenty of storage space. Thanks to the solar heating everyone will enjoy the sparkling salt water in-ground pool all year round and the water feature keeps the pool as the centerpiece when entertaining.

Property features include:

- Five Bedrooms all with built-in robes; master with ensuite plus private balcony, fifth bedroom located downstairs complete with bathroom
