Opportunity of a lifetime to own acreage only five minutes drive of Castle Towers. The five bedroom plus study home is situated on approx 7322m² of beautifully landscaped grassed paddocks with district views to the Blue Mountain ranges. The grounds are complemented by a full sized tennis court and large in-ground swimming pool. Minutes drive to excellent local schools including Redfield College, Hills Grammar and Pacific Hills. Woolworths and other local shops are only three minutes drive away and bus transport is practically at the door. This is a rare opportunity to secure the acreage lifestyle without the maintenance of a full 5 acre lot and build your own dream home (no existing Heritage Listing in place) or take advantage of the existing old worldly dream home "WAYFIELD COTTAGE" and all that it already has to offer!

Land Size : 7322 sqm
