Absolutely stunning is the perfect way to describe this immaculately presented home. Lovingly maintained by the original owners for the past 8 years and freshly painted inside and out the house presents as new. Light bright and airy, there are 4 bedrooms, with built in robes to 3 and the main features a walk in robe and ensuite. The high ceilings compliment the large lounge, dining and family rooms as well as the designated meals room adjoining the kitchen. The backyard is one of the best you will ever see with an undercover entertaining area overlooking the artificial grass, further enhanced by sandstone borders and manicured gardens. There is convenient internal access from the double garage with automatic doors, ducted air conditioning and water tanks. This beautiful home overlooks a picturesque bush backdrop never to be built out and is conveniently located close to Castle Towers, local schools and future train station.
