

4 Katherine Place CASTLE HILL NSW

4 2 2

Located in the eye of a quiet cul-de-sac this renovated four bedroom family home has a desired sunny, northerly aspect to the great back yard and the polished floor boards and 9ft ceilings gives character and a spacious homely feel.

- Three of the four bedrooms have built in wardrobes and the generous size master bedroom has a renovated ensuite and the main bathroom has a separate toilet, both renovated with style and finesse. There is a combined lounge and dining area and a family room with a slow combustion fire for the colder months. The kitchen has been updated and the three air conditioners even out the seasonal variations in temperature.

- There is a double lock up garage for the cars and plenty of off street parking for many more. The 1024sqm block with no large trees to contend with, is perfect for the growing family with plenty of space for the kids to play footy
