

CASTLE HILL

A small boutique development site of 1239sqm (approximately) zoned 2a2 for four villas (subject to council approval) is a prime opportunity in a desirable location. This is a raw site so you have great input to the design, style and layout. Located within walking distance to the Castle Towers for shopping, schools & the bus transport system. The easement to drain water is close to a side boundary towards the rear of the block. An excellent location for a quality development.
